

Some ideas for storytelling scenarios include:

Unit 17

You are a new student at your school. You need to find your way around. Tell the story of how you found your way around, where you went, and what happened.

Units 14 and 19

Tell a story about a holiday you've gone on. Did it go to plan? What was the weather like? What else happened?

Units 15 and 16

Tell a story about how you bought some flash clothes because you were invited to a party. What did you buy? How much did you pay? Did they make a good impression at the party?

Units 11 and 17

Your family pet went missing. What did you do to find it? Was there a happy ending? Tell the story of how you found it - or didn't.

Units 13 and 19

Tell a story about a party you went to and what you did there.

Units 12 and 19

Tell a story about what you did at Christmas time. What did you like doing the most? What didn't you like doing as much? What was the weather like? What else happened?

You are free to combine language from other units as you consider appropriate.
